

2018 DISNEY TRIP INTENT FORM

This form is intended to inform the Director of Bands as to which band members are planning on participating in the 2018 summer trip to Disney World in Orlando, FL. By signing and returning this document, the student and family member(s) are indicating plans to have their band member participate in the 2018 summer trip.

As a member of the Jesse C. Carson High School Band Program and as a family member who supports my band member's commitment to the 2018 summer trip, I intend to participate in the summer trip to Disney World in June of 2018. As such, the student and family member(s) understand the following conditions:

1. The student and family members acknowledge receipt of the summer trip memo. This memo provides information regarding trip dates, trip cost and included activities, tentative itinerary, payment schedule, and student/ensemble eligibility standards.
2. The \$50.00 deposit and a signed copy of this commitment form must be returned no later than May 26, 2017. No forms will be accepted after this deadline (unless a payment plan has been arranged with the Director of Bands and the JCHS Band Booster Executive Board), as we must move forward with plans.
3. Your commitment form and deposit for this trip will not be accepted or credited until any funds currently owed to the JCHS Band Program have been cleared.
4. The student and family members understand that each trip participant must meet the eligibility standards as stated in the summer trip memo.
5. The student and family members ***understand the need to make trip payments on or before the established deadline.*** Late payments may cause unforeseen increases in trip cost for all members and/or trip cancellation for either individuals or the entire group.
6. The student and family members understand that Band Booster Fundraising Credits can be applied to trip payments.

Family Members Interested in Being a Chaperone

Family members interested in serving as a chaperone for our spring trip should please indicate their interest below. As soon as the number of adult attendees is known, a formal application will be sent out outlining responsibilities as well as a request for payment of the chaperone rate for the trip (more information on chaperone rate to follow ASAP once itinerary and travel expenses are known). The first responsibility for every adult on the trip (myself included) is the safety and enjoyment of the students. As such, please be aware that this is not a vacation; if chosen to travel with the band on the spring trip, much will be expected from each chaperone and it will take a lot of hard work to ensure a successful experience for the students.
